NB : Some banks require IBAN number of the correspondent bank in Germany. It is an error. THIS NUMBER IS NOT NECESSARY FOR TRANSFERS IN RUSSIA. Instead of it one use SWIFT code.

NB : The bank transfer costs are chargeable to the client, generally total amount is 1% of the sum with ceiling which varies from one bank to another. In every stage the bank takes commission : your bank, the German correspondent bank and the Russian one. We know only total cost of payment transaction of the Russian bank. The amount will be indicated in your invoice. After our receiving payment, you will have notice of exact amount received.
